Profile

As a recent Computer Science graduate from CUET, I am driven by a strong desire to excel in my professional journey. I possess a diverse range of skill sets, including technical expertise in programming and data analysis, as well as soft skills such as effective communication and adaptability. Throughout my life, I have trained myself as disciplined individual, which I believe is a essential quality for achieving success in any endeavor.

Position of Responsibility

Code Storm 1.0, IUPC, CUET

January 2024

President, Student Comittee

Secured sponsorship, and led the logistics support and management

CUET Computer Club
